

# CANOPY AWNING

## CN20

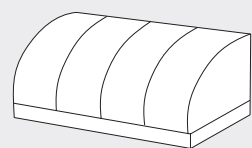

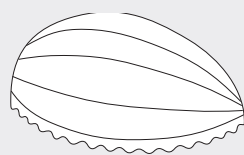

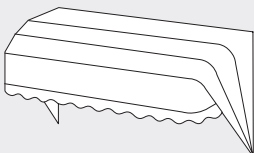

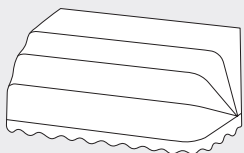

A powerful and flexible canopy awning for restaurants, shops, hotels and offices. It is possible to print text or a logo on the awning, thus turning it into the ideal advertising.

The awning can also be lit from below so that the message appears even after dark.

*Robust and flexible hinges with heavy duty aluminium profiles.*

# CANOPY AWNING CN20

## DIMENSIONS (m)

Projection	0,4-2,0 m
Max width	6,0 m per unit

## Operation

CN20 is available in fixed or retractable versions.

The retractable model is operated with an exterior cord, optional operation with interior cord. Remote control unit or automatic controls, such as sun and wind sensors, are available as optional extras.

## Mounting

The awning can easily be mounted directly on the wall or into the window sill.

## Awning fabric

Choose from a wide collection of both plain and striped fabrics.

The removable valance is available in different shapes.

## Frame

The frame of the canopy awning is manufactured using advanced technology in modern machines. This means that we can manufacture a large number of shapes, appropriate for most types of windows.
