

TERRACE AWNING cassette

FA64

The FA64 terrace awning is a very attractive complete cassette that provides a stylish look and is suitable for terraces, balconies, shops, kiosks and restaurants, etc. The characteristic feature of the FA64 series is the full designer cassette that protects the fabric and hardware from rain and dirt. The sturdy folding arms, with Dyneema® tape and strong springs, ensure very good fabric tension.

FA64 front profile

Standard colours

DIMENSIONS (m)	FA 64	
Max projection	3,5 (4,0)	
Max width	7.0 (6,0)	
Wind classification	2 (Projection 4,0m Wind class 1)	EN13561

Operation

Outside or inside operation with motor. A remote control unit or automatic controls, such as sun and wind sensors, are available as optional extras.

Mounting

The awning can easily be mounted directly on the wall or under the roof.

Folding arms

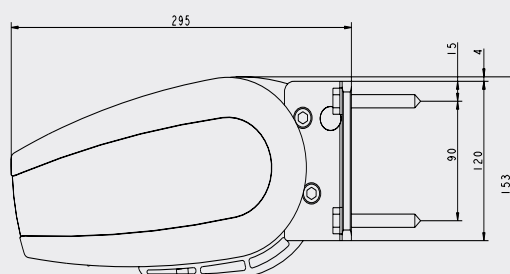

The arms are produced in extruded aluminium and components in die cast aluminium. The sturdy folding arms, with Dyneema® tape over the elbows and strong springs, ensure exceptionally good fabric tension.

Awning fabric

Choose from a wide collection of both plain and striped fabrics..

Awning hardware

The hardware comes in white, grey and structured black as standard. With longer delivery time, any RAL colour is available.
